Easter, a Christian Holiday,

The Moot Court of  
Souljourn Christian Fellowship  
in the town of Celebration,  
Osceola County, Florida

CASE NO.: **SCF04082007**

You've heard the account...

Jerusalem, Jesus, the passion of the Christ, the cross, the empty tomb...

Hey that's great, but maybe you have some questions.

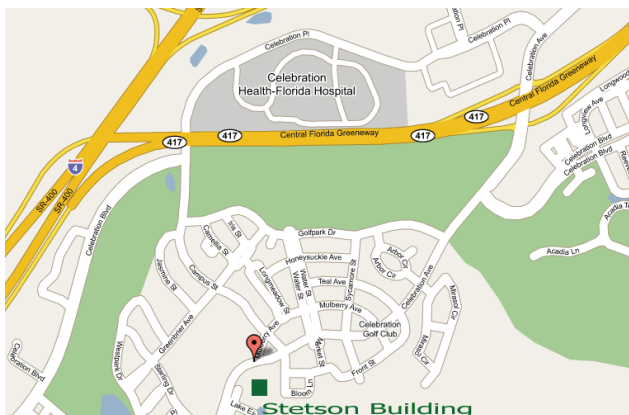

"If it's really true, why was all of it necessary?"

"Was Jesus God, a man, or does it matter?"

"If God is Love, why would he send His Son to die?"

"What does it have to do with me, today?"

We invite you to take a look at Easter from a different angle,  
not just a celebration, but understanding the basic reason why it had to be.

Souljourn Christian Fellowship  
is a Non-Denominational,  
Christ Centered Church.

and Creative Communication of Biblical Truth.
